The forms:

#1 The Registration Form – Fill out the swimmer information portion for each child and circle the appropriate group and cost. RED is age 13 and above, WHITE is ages 9-12, and BLUE is ages 8 and below. HS girl or boy denotes swimmers on the Jackson High School Swim Team. The registration fee is paid one per family. 1, 2, or 3 swimmers, only one registration fee as noted. The USA fee must be paid for each new swimmer. If you are brand new to the JCAC, you pay this fee for each swimmer that you are registering. If you have already paid this fee for your swimmer for this calendar year of swimming, you do not have to pay and leave this section blank. Add all three sections up and that is the total owed for the current season. A new registration form must be filled out for each of the four swimming seasons, Winter, Spring, Summer, and Fall.

#2 USA Swimming Form – If you have already completed this form for the current swimming year and paid the full year fee then you do not fill out this form. If you are new or have not paid a USA fee for the current swimming year, this form must be filled out.

If you have already filled out this form for the current swimming year, leave blank unless there have been changes in your medical information. If you are new this swimming year or have not filled out this form for the current swimming year, it must be filled out.
